Good evening, Heather,

My apologies for this late email. First, thank you so much for your assistance and support with this task. I just wanted to follow up with you in reference to the Grand Jury Material exemption for the IMD personnel. We are tracking the following cases, and we just wanted to make sure we are prepared with 6(e) letters in the event IMD is not redacting GJ material for some cases. We just want to make sure we comply with Rule 6(e) material protections since those persist on case materials for cases that are closed on the law enforcement side and/or fully litigated and closed. Please let me know if it is possible to share the guidance for IMD in reference to the GJ material. I have cc'd my teammate [REDACTED] because he is helping us connect with the AUSAs to obtain 6(e) letters in the event some of us will have to redact that material.
