Good evening SA [REDACTED]

Today we were advised that you will be generating a daily SitRep. With that said, below is a summary from RIDS for inclusion.

- On March 12, 2025, the Records Information Dissemination Section (RIDS) delivered a full day of FOIA training to 13 NYFO personnel on 24 FOIA exemptions, in 16 categories.
- IMD Government Information Specialist (GIS) personnel began processing the first 115 pages from 50D-NY-3027571.
- On March 13, 2025, all assigned IMD/NYFO personnel will be engaged in processing. Current estimated weekly production output is approximately 2,100 pages per week starting on March 21, 2025. Weekly production numbers will be revised as actual rates of production are reported, the processing expertise of NYFO personnel is honed, and additional processors are added.
- The first interim release of an estimated 50 pages from 50D-NY-3027571 is on track for Friday, March 14, 2025.

Best,
