[REDACTED] The evidence is located at our ECR at [REDACTED]. Parking is available at the facility, double parking is fine near [REDACTED]. Your POCs will be [REDACTED] and [REDACTED] (all cc'd). Red side computers are available at the facility. The ECR personnel will be there around 8:30am. If you need them there earlier please reply all to this email.

Media: NY needs a photographer to assist with review of the Epstein evidence. Can you have someone available tomorrow morning at [REDACTED]? Available to discuss if you have any questions.

Hey [REDACTED]

Myself and those cc'ed are heading to WFO late tonight/early tomorrow morning to begin this index process. Could you please help us get situated to commence this endeavor? My understanding is that the 3 of us will begin going through these files case by case (50D-NY-3027571; 72-MM-113327; 31E-MM-108062) in an effort to index their contents. There is also a photographer joining us for this process?

Where do you want us to meet so we have access to these documents and preferably would have access to FBINet computers.

Thanks,
