FYI - you'll need to open the Nero SecurDisc Viewer, click on the files you want to open, and then click "Save To." This will prompt you to enter the password.

Subject: Password for Working Docs BluRay disc

Working docs from the C20 share folder on FBI Net that contain Epstein working documents are downloaded onto a BluRay disc. I provided it to [REDACTED]. In case you need to reference it, the password is:

[REDACTED]
