Importance: Normal

The only relevant cameras that are on dvr1 are the one we have started reviewing and 3 cameras in the attorney visit area. He was only in that area one day. We are going to download all video from the one camera back to 7/23 and 24 hours of video from the attorney area for 8/9.

CART is almost done with what they are doing and will need someone from C19 to come here and receive the evidence.
