Subject: Epstein Evidence Storage Agreement

All,

Our plan for temporary storage of Epstein evidence is as follows:

1. NY Agents will rent a box truck this morning to load and transport all Epstein related evidence currently maintained at IMD in Winchester, VA.
2. NY will deliver the evidence to WFO's V Street Evidence Control Room (ECR) at [REDACTED], WDC, today, 03/25/2025.
3. WFO Evidence SAS [REDACTED] [REDACTED] will receive the evidence from NY and complete a Chain-of-Custody to check everything into WFO's V Street ECR.
4. All ELSUR and valuables will be stored at WFO HQC's ECR at [REDACTED], WDC. NY's POC to facilitate this process will be CR00 A/SSA Doug Silk.
5. WFO will maintain temporary custody of all Epstein related evidence while DOJ completes its review. Once completed, NY will retrieve all related evidence for transport back to NY.
6. WFO still has six 1B items with WFO CART. These 1B items are ready to be returned to the WFO ECR.
7. NY will draft an EC to memorialize the recent movements of evidence and send a lead to WFO requesting temporary storage until DOJ has completed their evidence review.

Thank you,
