Hi Laura - I apologize for reaching out so late but I was just informed that a new victim is being interviewed tomorrow at SDNY. I'm not able to meet in the afternoon but am hoping you could meet with her and her attorneys after the interview to offer services. I don't know the specifics but I believe Kelly is assisting with the interview.

Kelly can you give us more specifics? I can talk to her before 2pm or call after to set up a meeting with her and the attorneys next week - please let us know what works best.

Please let me know if you have questions.

Thanks
Angela
