Hi [REDACTED] - so looks like I'm going to meet her next week; it is so hard to discuss such personal things on a call. I will definitely reach out to you after. I really appreciate your assistance!

Thank you so much [REDACTED]!

Hi [REDACTED]! I have a call at 4pm and am thinking this particular victim may need more intensive assistance ; but I will know more once I speak to her. How about I touch base after and maybe set up a time to talk? Would that work?

Thanks so much!

I am speaking with a victim from the Jeffrey Epstein case and her attorney this afternoon; and I wanted to make sure I had all potential referrals on hand.
