Hey [REDACTED] - I think you are deployed but can we discuss this Monday? We have this handled and honestly the less hands involved the more streamlined services are given.

I just landed from Germany- so rested. Hope you are doing ok!

Hi [REDACTED],

Hope you are enjoying your trip (I think it is a vacation?) ☺ Since there are some significant ongoing concerns regarding victim rights I'd like to make sure we are all routinely connecting on this case, just to provide appropriate coverage and support for you. Also, based on some outstanding information from main DOJ on the previous victims I wanted to make sure that any of the former victims you are pulling into the current case (and subsequently into VNS) receive outreach from you directly before they receive a VNS notification. I expect as a common practice you are already doing this but wanted to make sure these victims are afforded their right to notifications (and option to decline) rather than receiving an unexpected notification. Happy to discuss this more or explain if it's confusing.

All the best,

[REDACTED]

Hi [REDACTED] - we have the identified victims in VNS that the case agent has told us to put into vns. You do not need to do anything with VNS.

Thanks for reaching out-

Thanks [REDACTED], yes we will want to import the Miami list but I would like to have our VS coordinate that with you.

Hi [REDACTED] and [REDACTED],

Attached is the list I pulled from our Victim Notification System for the MM Epstein victims. I've not cross checked it with the list [REDACTED] provided but expect it's the same. [REDACTED] if you want the MM victim list imported into the NY case let me know. I'm happy to help with that if needed.

Thanks for all the attention to the victims in both of these cases. I'll be in touch with both VSs from the current and former case to make sure they have the support needed from VSD.

As always let me know if there is anything I can do to assist.

Best,
[REDACTED]
