Please reach out to her. She thinks the trauma center is the best place. If you could meet with her when things calm down we would greatly appreciate it.

We can do EVAF for counseling if that's the best way to cover it. I will tell her you will call her.

Thank you-

Sorry for the delay. LAFO is stretched very thing with ████ retiring and now dealing with Santa Barbara boat accident. .. I thought ████ was going to cover since I was out of the office on Friday. I cover WEHO btw so I can follow up with the victim. We usually use CA Victim Compensation and go through the DA Victim Witness Office for therapy referrals.

Here are a few resources:

https://www.peaceoverviolence.org/

https://ywcagla.org/what-we-do/programs/sexual-assault/

https://mylatherapy.com/services/rape-sexual-assault-therapy/

I normally advice the victim what questions to ask in order to vet out the therapist in order to see if they would be a good fit (from "Selecting a Mental Health Professional" brochure). I can't speak to the quality of service for any of the referrals.

Thanks!
