Hi [REDACTED] told me that she does not cover this area. Can someone please assist with locating a trauma focused therapist for this victim in crisis? If you don't want to assist directly- if you can refer therapists I will connect her. This has been a week and the victim is asking me every day for an appropriate referral.

The victim sent me a list she found but I am hoping that you may have a program or connections I can begin with.

Thanks -
[REDACTED]
