Hi Alicia - thank you so much for getting back to me and assisting. This victim just reached out to us this past Monday; but both the Case agent and myself spoke to her on Monday. She is in extreme crisis and alone there.

Her name is [REDACTED] [REDACTED] and number [REDACTED]. She just left me message hoping I was connecting her there to you. I can give you more details if are free tomorrow to chat.

Let me know what you need - we really appreciate your assistance!
