Hi [REDACTED] yes I can assist. If you have the adults names for the locations I can reach out to our ACS contact to see if they have any information. I can give you a call later today to discuss

Hey [REDACTED]

Hope all is well. We have a 16 person gang arrest scheduled for Tuesday 7/16 at 6am. There may be children at some of the locations. This is my first time coordinating an arrest of this size. Is this an operation that victim specialists typically come out on?

Thanks a lot,
