Hey [REDACTED] - I wish it was uneventful; it took me 17 hours to get home! Hope yours was smoother!

You this is exciting! I'm running around crazy now with the Jeffrey Epstein case. Will be ready for Germany.

Thank you so much [REDACTED]! See you soon!

Hi [REDACTED]

How's everything going? Hope you had an uneventful trip back to NYC from OK.

Just wanted to let you know that I've been in touch with the Legat in Brussels and I'll be meeting with him at the end of August. He's also very positive about putting together training for the Belgians and wants to discuss more when we get together. I'll keep you and VSD posted.

See you in a few weeks and safe travels over.

Ciao,

[REDACTED]

Hey [REDACTED] - I hope this email finds you well! I apologize I meant to send this you sooner. If you are not the right person to notify of this request please let me know if I should send it to someone else in IOD. I had sent it to my supervisor at HQ but have not had any response.

I'm at our VSD in-service and shared this request with our VSD colleague in Rome; who I have included in this email. We are thinking this could be a great opportunity that could possibly be held in Brussels. [REDACTED] said she will reach out to you soon to discuss.

Please let know if you have any questions or need anything right now from me.

Thanks and Stay Safe!
