**Date:** Tue, 06 Aug 2019 21:46:13 +0000

**Importance:** Normal

---

Hi [REDACTED] - per our earlier conversation I met with a new victim today; who called the hotline anonymously. She was victimized from age 14 to 17 by him at his New York residence. I participated in the interview with the AUSA and vsse agents. I provided crisis counseling and am providing counseling referrals.

Please let know if you need additional information or have any questions.

Thanks  
[REDACTED]
