Alex - there is still an open case but regardless I can help. Just let me know what kind of services she needs.

Tell her that [REDACTED] told me that she is an amazing young lady and going to go far places!

Let me know how I can help!

Thanks so much for checking in. She is hanging in there, but continues to find all of this to be very difficult. She is receiving assistance from the CVC that you connected her to—thank you so much for connecting her to them.

She may be ready to start looking into other services. If she is, are you the right person for us to direct her to? Or is there someone else she should be talking to now that the case has been dismissed.

Please let me know.

Thanks,  
Alex

Hey Alex - I'm at the hearing now and just wanted to say hi and see how your client is doing? Just wanted to check in.

[REDACTED],

Thanks so much for your quick response. She did an intake at the Center you referred her to, but called their number today and they are closed for the weekend. I am going to email them now and see if I can get her an appointment for Monday (she missed her last one with them and doesn't have a next one scheduled).

I just got off the phone with her and she seems to be doing a little better, but I think this will keep hitting her in waves. Is there a good number I can give her for you and/or [REDACTED] that she could reach either one of you on today if she feels up to it?

Thanks so much again for your quick response on a Saturday.

Alex

Hi Alex - it's no bother! I can talk to her and [REDACTED] is as well. Was she able to meet with [REDACTED] staff yet? If not maybe we can get her in this week to find a therapist as well. Just let me know what works best.

Hi [REDACTED],

Does the FBI have any resource people [REDACTED] could talk to today? She is having a really hard time with Epstein's suicide. I am happy to talk to her of course and I'm not worried about her safety, but I am sure this is something you and your colleagues have a lot of experience dealing with. If nothing else, would you possibly have time to talk to her this weekend?

Sorry to be asking, let me know.

Thanks,  
Alex
