Good morning,

[REDACTED]-below are the agencies I have been referring. Let me know if you are calling or if you want me to. I don't mind, I just know some of the victims don't like multiple people calling.

Thanks,

Hi [REDACTED] - do you know if she is coming on Tuesday?

Hi [REDACTED] - I can call if you would like me to. Are there specific referrals that you have been giving to these victims? If so -

If you give that information I can reach out to her. Let me know what is easiest.

Thanks

Hi ladies,

I received a text from [REDACTED], who is an Epstein vic. Her number is [REDACTED]. She has expressed that the suicide and the reporters constantly going to her house have really affected her and she is in need of counseling services. Could one of you reach out to her? She is located in [REDACTED]

Give me a call if you want to chat about it.

Thanks,
