For the weekly Epstein SAR I'm going to need the following:

1. How many victims total has VSD (NY, Miami, etc.) spoken with?

8 victims

2. What types of services were the victims offered?

All victims were offered counseling services

3. How many victims have accepted services?

All victims indicated they will reach out when ready to start counseling.

4. Are we in the process of trying to arrange services for any victims?

Pending for 1 victim

We will need to update this SAR report every week.

Thanks,
