The list that I used to call for the hearings had more than that. I just spoke to [REDACTED] assistant about the briefings.

We can go over tomorrow.

I'll take a look over both lists. NY has absorbed all of the MM victims so they should be attached to our case file as well.

Hi Ladies,

Here you are.

For 31E-NY-3027571, we only have 39 victims. The MM case is 31E-MM-108062 with 35 victims; I added the MM victims to a tab so you can see the difference, if any. If we need (which I think we do, but please advise) we can move or copy the victims into this NY VNS case. Please review the attached spreadsheet. If we need SSN's, are paying for flights/hotels or need any other information, please let me know so we can request all at once and track what will be needed to keep things smooth.

Thanks,

[REDACTED]

Thanks for requesting, [REDACTED]

[REDACTED] - I spoke with [REDACTED] last night about this too, but ASAC [REDACTED] would like to have some weekly oversight to see what invitations have been sent, to whom (victim or counsel), when it was sent, if we received a response, etc.

I informed him that I would get this information to him on a weekly basis. Can we pull together an Excel sheet or something similar to track?

Thanks,

[REDACTED]

Hi [REDACTED] - thank you so much for your help with this! Can I ask you a huge favor? I am putting together the victim list to send the invite letters. Is there a way we can pull the VNS list to compare and make sure I have all the correct info etc?

Hello [REDACTED],

ASAC [REDACTED] has informed me that we have received confirmation to conduct victim briefings for the Epstein case both in Miami and New York. ASAC [REDACTED] will speak to Miami EM to inform them that the conference room reserved by VS Sosa a few weeks ago is for the Epstein briefing.

[REDACTED], please ensure that we have the most updated contact information for the victims so we can send the invitations by email and post.

[REDACTED] - SDNY and FBI NY is good with the proposed email in the DRAFT language. Is it possible to have this account/box set up?

Pam and I will work on additional VSs to support both briefings.

Below is the draft language proposed by FBI NY and SDNY:
