Hi [REDACTED] - I hope you are having a nice week so far. I just spoke to [REDACTED] assistant and she told me that you met additional victims; and spoke to the one on Lake Havasu. As stated in previous emails [REDACTED] is the VS assigned to Lake Havasu; and has been waiting to be connected to her.

Please remember to speak to me about each of these victims as I am being asked daily from Executive Management.

Let me know if you have any questions or need anything from me.

Thanks again for your help!

Met with a total of 6 victims and provided the following for each:

Packet with business card and these brochures: FBI victim services, practical tips for coping with trauma, your rights when dealing with media, Your Rights After Abuse: A Young Persons Guide.

I did an assessment of risk factors vs practice factors/support system and discussed therapy options.

Discussed their rights for services and notification rights.

All 6 want counseling.

Provided emotional support

Met with the attorneys for each victim.

[REDACTED] took my business card and said she has 2 more victims she will refer. Mentioned one that is in Lake Havasu that spoke to one VS that apparently said she would have to go to Las Vegas as that is the closest office...don't know who this advocate was..

Thanks.

Hi [REDACTED] Yes possibly. If we get a letter from DA or AUSA that they would have prosecuted if brought timely, we can cover. Our counsel can assist with that. I'm so angry about what happened over the weekend
