Subject: RE: epstein victim list

I am prepping the data now. Looping in [REDACTED], [REDACTED] [REDACTED] and TFO [REDACTED] so we all are on the same page.

A few questions

- 1) There are 2 victims that have multiple attorney's listed, do we want to notify all of them?
 - a. [REDACTED] [REDACTED] has 3
 - b. [REDACTED] [REDACTED] has 2

- 2) There are 6 victims that have individual email addresses and have an attorney, do we want to only email the attorney or the victim also?
 - a. [REDACTED] [REDACTED] – Attorney Brad Edwards
 - b. [REDACTED] [REDACTED] – Attorney Robert Glassman (no email for attorney), so I am planning to just email victim unless we obtain a email for attorney
 - c. [REDACTED] [REDACTED] – Attorney Brad Edwards. The Victim email is [REDACTED], I am guessing just a paralegal or something who added email address as well since Brad Edwards is [REDACTED], so plan to only email brad
 - d. [REDACTED] [REDACTED] – Attorney Robert Josefsberg
 - e. [REDACTED] ([REDACTED]) [REDACTED] - Attorney Robert Josefsberg
 - f. [REDACTED] [REDACTED] - Attorney Brad Edwards

- 3) For the referenced deceased victim, [REDACTED], even though they are deceased their NOK would be entitled to information about the case. Has this been discussed?

- 4) There are 15 victims without an email address or an attorney. Any possibility we have their information somewhere?

5) There are a few attorney's we don't have email addresses for. ██████ ██████ referenced above we have an email for the victim, but for the rest we don't have emails

Victim	Attorney First	Attorney Last	Email
█████ ██████	Robert	Glassman	
██████████████	Rita	Glavin

██████████████	Jeff	Herman?	
██████████████████	Adam	Horowitz / Herman?	
██████████████	Spencer	Kuven?	
██████████████	Spencer	Kuven?	

6) Lastly – for the attorney's we probably need to tweak the language of the email. As it is somewhat vague about how this applies with attorney's and such

Im free to hop on a call to discuss at any time after 1:30
