Hello VSs,

Thank you for your continued coordination to support the victims in the Epstein case. Please continue to send [REDACTED] weekly updates regarding victim contacts - who you had contact with, when you had the contact and if you provided a direct service (crisis intervention, resource, etc.) every Friday by 9AM. Please adhere to this deadline as VS [REDACTED] NY EM is requesting this information. If a victim is requesting updates, please direct them to VS [REDACTED]. This is important as VSD and NY is planning two victim briefings in October - one in Miami and one in NY. Do not divulge this information to the victims as they will be receiving invitations by email and post. Please let [REDACTED] and I know if there are any EVAF needs, especially regarding counseling.

Thanks,

[REDACTED]
