Hi [REDACTED] I hope you had a nice weekend. I am reaching out to you regarding a victim of Jeffrey Epstein who is currently residing in [REDACTED]

Previously you told me to call the CAC to ask for assistance for another trafficking victim but I need help with locating trauma focused therapists. Are you able to assist with this?

Please let me know if you have any questions

Thanks-

I'm reaching out to you to find some victim resources in [REDACTED]. She continues to struggle off and on. If I remember correctly, there is a Specialist.

I need to find a therapist or specialist knowledgeable in trauma associated with human trafficking. Also, are there are resources to remove information on the internet. It's been difficult to move on.

Thanks,
