Importance: Normal

Hi [REDACTED] - I hope you had a nice weekend. I am reaching out to you regarding a victim of Jeffrey Epstein who is currently residing in [REDACTED]

Previously you told me to call the CAC to ask for assistance for another trafficking victim but I need help with locating trauma focused therapists. Are you able to assist with this?

Please let me know if you have any questions

Thanks-

Robin Connell at the CAC in Searcy is aware of the quality resources in that area. Although it is a cac, they assist with a plethora of topics that have come up with parents, trauma being #1. Robin's number is [REDACTED]. Her email is [REDACTED]. Their office is at 414 Rodgers in Searcy.

Hi [REDACTED],

I'm reaching out to you to find some victim resources [REDACTED] She continues to struggle off and on. If I remember correctly, there is a Specialist.

I need to find a therapist or specialist knowledgeable in trauma associated with human trafficking. Also, are there are resources to remove information on the internet. It's been difficult to move on.

Thanks,

Diane Cochran
