Hi angela,

Sure we could definitely help with that

Do you know in which AOR this person resides? That way we can determine who could better assist with this?

Thanks
Kristin

Hi Bridget and Kristin - I hope this email finds you well. I am reaching out to see if either of you could assist with helping this victim in your AOR with therapist referrals? I can give you her contact information; please let me know the best way to connect you. Also please let me know who will be assisting and I can give you a call with some background.

I really appreciate your help!
Thanks-
Angela
