I haven't had to work much with State so I'm deferring to your expertise. Can we email and explain what we need? Or as little information as possible?

Visa Services is best to contact here in DC. The contact at the VISA office who has [REDACTED] is [REDACTED] – email is [REDACTED] can tell you that we have not always had success in getting Visas depending on from which country, there are a lot of factors. You may need to do it by SVTC or conference call if she cannot get a VISA in time or at all.

I am happy to help but I think Consular will be more helpful than the Legat at this point. There are consular folks who sit in the HRCF who point to the right people.

Hi [REDACTED]

Is there any way you could give a friendly nudge to the ALATs? We are trying to secure Visas for an Epstein victim and [REDACTED] to New York for the briefing on October 23. I'm happy to discuss further.

I'm leaving this morning to climb Kilimanjaro. I've included [REDACTED] in this email who may be able to assist. October 23 is cutting it close. Please engage directly with the office.

Hi [REDACTED]

I was hoping that Consular may be able to assist with this. The victim is not an [REDACTED] so will have to go through her own Embassy however Consular may be able to expedite the process.

Hi [REDACTED] I am a Victim Specialist at the New York Field office. [REDACTED] told me that I could reach out to you regarding a victim in [REDACTED]. We are currently working with victims of the Jeffrey Epstein case; and just found out this week that one is located in [REDACTED]. Victim Services Division is hosting a briefing for these victims in New York on October 23rd. This individual's attorney contacted us regarding her attendance and assistance with travel here. She does have a [REDACTED] and is asking for assistance with Visa's ?

I am reaching out to you in hopes that you could assist us with this. The case agent is [REDACTED] whom I have copied here. Please let us know if you have any questions.
Your guidance is greatly appreciated!
