Hello [REDACTED]

I am putting my information as you requested in the e-mail chain below. I believe if his schedule permits, Mr. Boies will be attending the victim's meeting with me and our clients. Mr. Boies is presently in trial and I don't have his social security information but I am copying his assistant Linda Carlsen on this email so that she can provide the necessary information such that he can access the federal building for purposes of the meeting.
