Hi Robert, I read the email and I am definitely interested in attending a meeting. I have been busy unpacking, settling in and finding a job at my new residence. The Florida meeting is definitely more convenient and practical, but I literally have no financial means to get down there at this time (To be honest, I'm probably going to have to borrow money for next months rent and hope I'll be back on my feet by next month). I didn't respond because I wasn't sure how I would be able to make it happen. That being said, if they will help me with that, I will do whatever I can to be there. Please let me know ASAP, but please text me with updates, I'll see those before anything.

Thank you,
