After discussions with our front office, we feel that the best course of action is to leave it in the hands of the trained experts – the Victim Specialists.

The Victim Specialists, in fact, have training and guidelines to provide tips for victims on dealing with the media (including a pamphlet) . . . we have no training at all on the subject or dealing/giving advice to victims.

If this event is still going to take place in MM, may I suggest someone from NY travel to MM to present? [REDACTED]

Good Afternoon,

I'm following up on this request to have someone from Miami Public Affairs be available to speak at the Epstein victim briefing on Tuesday, October 15 in the Miami Field Office. [REDACTED] and I are happy to discuss more via telephone. My apologies if I missed a follow-up email to last Friday's email.

Thank you for your assistance in this matter.
