Good afternoon, Ms. Jackson. I telephoned your office yesterday afternoon/evening and left a voicemail regarding this matter. Mr. Josefsberg was inquiring as to whether the invitations you forwarded to his attention were **copies** of invitations sent to those specific victims, or whether they were sent to him so that our office can forward them. Also, we represented several additional victims for whom we did not receive invitations, and Mr. Josefsberg was wondering as to the reason for this.

Hi Robert - I hope you are having a nice week so far. I am reaching out to confirm that you received the email invite. We haven't received many responses and wanted to touch base to see if there are any questions.

Please let me know if there are victims that I should contact directly.

Thank you so much for your assistance!
