Hello Angela,

I am copying my client [REDACTED] on this email. [REDACTED] is an Epstein victim that has retained my firm for representation. [REDACTED] would like to be including in any notifications being issued by the United States Government. She is presently living in [REDACTED] and I have included her address below. [REDACTED] that would need to travel with her to attend any victim's meeting. As we discussed, to the extent you can be helpful with providing her information about getting a visa and other travel arrangements for [REDACTED] such that they might be able to attend the victim's meeting she would be interested in learning that information.

Thank you in advance for all of your help.
Best,
Sigrid
