Subject: Re: Assistance with TSA - [REDACTED]

Date: Sat, 12 Oct 2019 13:46:05 +0000

Importance: Normal

[REDACTED] is going to keep her flight as scheduled. Maura (the executive director of the SA program in durango) will get her to and from the airport. SA [REDACTED] will meet them at the airport and make sure she gets through. Maura is going to see if they can stop by the housing place early and at least drop off her paperwork. And hopefully reschedule the appointment for when she gets back.

Just a reminder, [REDACTED] has zero money.

She also just hit 1 year sober and I'm slightly concerned that Florida will be a trigger for her although she's been working through that fairly well and seems determined. Just a heads up for the VS on the other end.

Hi [REDACTED],

Thanks for taking my call. I appreciate your assistance. Again, the victim is [REDACTED] [REDACTED]. She has a temporary paper [REDACTED] ID and no picture ID. VSD booked her a ticket to attend the Epstein briefing in Miami. We would appreciate if you could reach out to your ALA in Durango in order to have the agent escort Ms. [REDACTED] through security. She has a support person, believed to be her boyfriend, traveling with her. His name is [REDACTED]. Below is their flight information:

American Airlines
Flight 5878 departing 10/14 from Durango at 11:35 AM to Miami with a layover in Phoenix.

Locator number is SROWXK

Please let us know. Thank you.
