[REDACTED] finally called back and we spoke for awhile today. If you get a few minutes sometime next week maybe we can chat just so I can get some background if that's ok.

Thanks

Hi [REDACTED] - there are some things going on with her so you may hear later this week. I spoke to her attorney yesterday and he's going to also reach out to her. I appreciate you reaching out to her.

Hi there.

I didn't want to take up time on the phone. Thank you for the additional information..I did want to let you know that I have not heard back from the victim. I left her a message on Friday. If you would like me to try again just let me know.

Also let me know what else you need on my end. Anything you need at all in here to assist.

Thanks again
