Hi [REDACTED]

Can you send the list of therapists that work with VCCO for Franklin Park and Hoboken?

Subject: Victim Resources - Epstein Case

Good morning [REDACTED]

So NJ isn't easy when it comes to "vetted trauma therapist." The 21 counties have over 500 municipalities with many therapists but none I can say are vetted by me or any one agency in NJ. It's almost impossible here. The best I can do is give you the list of therapist I have that work with VCCO in the counties the victims reside in. NJ therapist work mostly of networks so I don't have a vetting mechanism. It is extremely difficult to get a consultation. I usually go through psychology today and look at the credentials of therapists there.

Let me know how you'd like me to proceed. Sorry I couldn't be of more help.

I hope all is well with you. I have a request with a very quick turnaround.

I believe you have two victim s of Jeffrey Epstein living in your AOR (Franklin Park, NJ and Hoboken, NJ). Both are attending the victim resource briefing in New York on Wednesday (thanks for coming to assist as well). We are making individual packets for each victim and including vetted, trauma-informed counseling resources. Could you please send a resource or two (in an attachment) so we can add to this victim's folder? If you have a PDF of a brochure, that would be perfect. We'd like to have this information by Monday COB. Please let me know if you have any questions.

Thank you,
