All,

I have just established with Sheraton that you **do not** have to put a credit card on file by midnight tonight. They are guaranteed that all of your rooms have been confirmed.

Thank you,

Apparently, they gave out other confirmation codes. I'll send your confirmation email out shortly (individual emails) and you'll need to call and pay for it.

Hello Again,

Alright. I'm hopeful this is the last email. I'm moving this to 1:30 - 2:00 PM EST.

Laura/Lauren, could one of you please reserve the conference room and send out the dial-in and guest code?

VNAs, I'll brief you separately tomorrow as I know you have a 1pm meeting with CSU.

Thanks,
