Subject: Outstanding Items - Epstein

Date: Sun, 20 Oct 2019 12:22:12 +0000

Importance: Normal

Good Morning Ladies,

[REDACTED], I hope you don't see this until Monday and you had a fabulous time at [REDACTED]. Just to let you know, I did move some items into the Epstein folder and created a new subfolder in travel for VSD staff. I've put a few hours in over the weekend so far and wanted you both to be aware of the outstanding items I can think of:

- Sharepoint for EVAFs - I put in all of the airline information and will work on the lodging accommodations today.
 - Outstanding items I need from Miami:
 - [REDACTED] and [REDACTED] train ticket
- Victim folders w/brochures, NY CVC, and trauma-informed counseling options by AOR (I'll send out a separate email to VSs to see if they can assist)
- Security Information
 - It looks like a number of individuals sent information in on Friday afternoon. It didn't have a checkmark on it, [REDACTED], so I'm just making sure you're aware so nothing is missed.
- New Individuals Attending
 - Per [REDACTED]'s email (red flagged), she is bringing a support person. It looks like she has attached the questionnaire.
- Travel Arrangements
 - Over the weekend, I made travel arrangements to include flight itinerary and lodging accommodations for [REDACTED] (also [REDACTED] and her support person, [REDACTED] Gloria Allred's executive assistant, Diane, was copied on all communication with their client. I had a phone call with Diane on Friday evening as [REDACTED] and [REDACTED] needed to stay through Friday ([REDACTED] was only able to come if they could stay through Friday - I think he may be working from NY this week and that may have been the reason why). Regardless, I explained that VSD could only pay for lodging Tuesday - Thursday and they would be responsible for reserving and paying for lodging accommodations for Thursday evening. Flying out of LAX was about the same amount on Friday as it was Thursday. An email was sent to [REDACTED] (cc'd Diane) with their flight itinerary and hotel, specifically laying out when they are responsible for paying. Please note: [REDACTED] is staying at different hotel [REDACTED] since the [REDACTED] was completely sold out.
 - [REDACTED] sent an email yesterday saying she needs to change her flight to Friday because she has an event she must attend on Thursday. I'm completely unsure of she is referring to (personal or business event). As long as a Friday return ticket is comparable to the ticket she currently has, [REDACTED] will probably approve; however, please run it by her first. If she does approve, an email will need to be sent to [REDACTED] with similar language outlining what she is responsible for paying.
 - [REDACTED] sent an email asking how long she'd be required to be in NY. I forwarded to SA [REDACTED] [REDACTED] (case agent) and [REDACTED] inquiring on if she needs to be interviewed. If she doesn't, can one of you check with [REDACTED] and request her to stay an additional night (I think we currently have her

checking out on the 25th due to time differences, etc.) - just make sure she is fine with a Oct. 25 check-out. I'll let you know what [REDACTED] respond with.

If I complete any additional work throughout today, I'll let you know and send an update.

Thanks,

[REDACTED]
