I think this is great for attorneys.

I want to use the same one we did for Miami for the victims with the reimbursement forms, etc.

Here is the language we want to send out. Please word smith to make smooth.

Good morning,

Thank you for your interest in the upcoming meeting. Please be sure to bring your government issued identification for verification and building access. Electronic devices, to include cell phones, laptops/tablets, and recording devices are not permitted in FBI space. If you must bring those items into the building, secure storage will be available to you and you may retrieve your items at the conclusion of the meeting. The FBI entrance is on Duane and Broadway and you will have to go through building security, so please plan to arrive by 9:30. You will then be escorted to the meeting space.

Parking:

New York City parking is limited but there is a parking lot on the corner of Worth and Broadway. The best transportation is the train 4/5/6 to Brooklyn Bridge, R/W to City Hall or A/C to Chambers Street.

FBI personnel will be present outside to help you find your way to the meeting space.

If last minute changes arise, regarding your itinerary or should you have additional questions, please submit updates/questions to the [REDACTED] inbox. A staff member will monitor the emails, should you need assistance.

**Date:** October 23, 2019

**Time:** 10:00 AM

**Location:** 290 Broadway, New York, NY 10007

Lastly, please be respectful of the intention of the meeting. Thank you for your cooperation in this matter.

Respectfully,  
FBI Victim Services Division

Hi [REDACTED] - the parking is limited but there is a lot on the corner of Worth and Broadway. The best transportation is the train 4/5/6 to Brooklyn Bridge, R/W to City Hall or A/C to Chambers Street.

The entrance is on Duane and Broadway and will have to go through building security so should be there by 930. Then they will walk over to the FBI elevator bank.

Let me know if you need further information.

Thanks

Hi [REDACTED],

For the reminder email, what can you advise we provide for the parking situation? What garage is preferable? What street address should they use (if other than actual) if they uber/taxi over? What entrance should they use? If you've never been there before, what should they know to make it the easiest?

From Miami and needs updating:

Parking:

Parking is available in the visitor lot. Additional spaces will be available should the visitor lot reach capacity. FBI personnel will be present outside to help you find your way to the meeting space.

Thanks,
