Subject: EVAF for Epstein victim

Date: Mon, 04 Nov 2019 20:00:27 +0000

Importance: Normal

Hi [REDACTED]- per our earlier conversation [REDACTED] is requesting six sessions counseling. She has submitted an OVS form. I just spoke to the therapist she has scheduled for today and she said she could invoice us; since she does not accept credit cards. The initial session is \$85 with the following \$65 a session.

Please let me know what else you need from me.

Thanks-

[REDACTED]
