Oh thank you ██████████!

Hey ██████████ - we had a meeting this week with newly identified victims of Jeffrey Epstein ; and one lives in Santa Fe. I am hoping that you would be able to assist her with counseling referrals.

Let me know a day next week that you are free to discuss.

I hope you both have a great weekend!

Hey ██████████ - I hope this email finds you well!! There is a victim in this case who lives in Santa Fe; do you happen to cover that area?

Thanks in advance!
