Can you follow up with Roque on this request? He has been unresponsive to Angela and she needs resources for a victim in the Epstein case. Realizing that this something that Consular should be able to assist with.

Also, perhaps you could contact Consular and find out if they have counseling referrals.

Thoughts?

Hi Roque - I am reaching out again to see how to proceed with the below? The victim has just reached out again looking for assistance. She lives outside Barcelona. If there is someone else I should teach out please let me know.

Thank you again for your assistance!

Hi Roque - I am a Victim Specialist in New York and am reaching out in hopes that you can assist or guide me in the right direction. As you may have seen we have an open case regarding Jeffrey Epstein for trafficking charges. There is an identified victim who lives in Spain and she is asking for counseling assistance. How would I connect her to appropriate referrals? I have asked her where she lives and am waiting to hear back. Any assistance is greatly appreciated. I have copied the Case Agent Mandy Young if you have any questions.

Thanks in advance! And Happy Thanksgiving!  
Angela
