Importance: Normal

Good morning, I spoke to [REDACTED] on Friday and he was on his way to London for the long weekend. He said he was aware of the request and will circle back to me today or tomorrow. He's been without an ALAT for a month and I think is just trying to catch up with the office's work. I also told him I'd reach out to ACS if that would help and he said he wanted to chat first. So, I will keep you both posted this week and hope to get some referrals for this victim sooner than later.

Can you follow up with [REDACTED] on this request? He has been unresponsive to [REDACTED] and she needs resources for a victim in the Epstein case. Realizing that this something that Consular should be able to assist with.

Also, perhaps you could contact Consular and find out if they have counseling referrals.

Thoughts?

Hi [REDACTED] - I am a Victim Specialist in New York and am reaching out in hopes that you can assist or guide me in the right direction. As you may have seen we have an open case regarding Jeffrey Epstein for trafficking charges. There is an identified victim who lives [REDACTED] and she is asking for counseling assistance. How would I connect her to appropriate referrals? I have asked her where she lives and am waiting to hear back. Any assistance is greatly appreciated. I have copied the Case Agent [REDACTED] if you have any questions.

Thanks in advance! And Happy Thanksgiving!
