Hi [REDACTED],

Looking forward to seeing you Monday! I have found a fantastic therapist for this survivor. She was my first choice and hope but I didn't know if she would be able to take OVS and she has agreed to. Her name is Shari Eliot and her number is 212 397-7312. She is a little out of the zone the client preferred but her office is on the RW line so very easy to get to from Astoria. The client should use my name when she calls.

See you soon,

Hi again [REDACTED]

As I reach out to the top notch therapists I know to see if someone can accept OVS reimbursement to see this survivor, do I have consent to share what case this is related to?

Hi [REDACTED],

Great! We are confirmed for 3/9 10am-11am and very much looking forward to it. Do I understand correctly that this client is seeking someone in private practice who will accept OVS directly (not OVS reimbursement to the client paying out of pocket)?

Hey [REDACTED] - yes what time are you thinking? I could do next Monday 2/24

- is that too soon? Or the Mondays the first two weeks of March? Let me know what you think?

On an unrelated note, we would love to schedule the mass casualty response training we had discussed. Do you have any Mondays that might work in the coming months?

Hey there, we've come up dry in Astoria. Can she possibly travel outside of that one neighborhood? Astoria doesn't have a ton of great resources. It's also slightly harder to find referrals that take OVS directly. Typically, if someone doesn't have insurance or isn't able to pay, we hope that they can be a bit flexible about where the services are offered. If they can be, it really opens things up quite a bit.

Thanks Chris! She will need someone who will accept OVS.

Thanks Amie!

Hello Angela, sorry for the delay! I'm copying Amie who has much deeper knowledge of good therapists throughout the city than I do. Does she have insurance or is she able to pay out of pocket?

Hey Chris - hope you are having a great week! Would you or your colleagues know a therapist in Astoria? One of the Epstein victims is asking for referrals close to her. Any guidance is much appreciated!
