On an unrelated note, we would love to schedule the mass casualty response training we had discussed. Do you have any Mondays that might work in the coming months?

Hey there, we've come up dry in Astoria. Can she possibly travel outside of that one neighborhood? Astoria doesn't have a ton of great resources. It's also slightly harder to find referrals that take OVS directly. Typically, if someone doesn't have insurance or isn't able to pay, we hope that they can be a bit flexible about where the services are offered. If they can be, it really opens things up quite a bit.

Thanks [REDACTED] She will need someone who will accept OVS.

Hello [REDACTED] sorry for the delay! I'm copying Amie who has much deeper knowledge of good therapists throughout the city than I do. Does she have insurance or is she able to pay out of pocket?

Hey [REDACTED] - hope you are having a great week! Would you or your colleagues know a therapist in Astoria? One of the Epstein victims is asking for referrals close to her. Any guidance is much appreciated!
