Thanks much!! I knew that the FBI had no knowledge of what was happening or we would have alerted our victims. We don't roll that way..... ;)

Hi [REDACTED]

I spoke with [REDACTED] and this wasn't a planned press conference. Apparently, SDNY/FBI had no idea this was going to happen. The USAO was out and media asked him a question about Prince Andrew and he made a statement. That is all I have, but I'm cc'ing Angela for her awareness.

Hey there!

Add me to the list of VSs who are getting irate communications from our victims about not getting a heads up about this morning's press briefing in front of Epstein's brownstone.

I suspect that the USAO failed to let us know.... Whatever happened, can you let me know where the breakdown occurred and how they/we will be addressing it so that it doesn't happen again? I want to be able to discuss it with my victim ([REDACTED]) who is often the mouthpiece for many of the core victims. And I can tell you that they are discussing it and feeling angry and betrayed at the moment. Pretty understandable.

So anyway, looking for a bit of information to take back and make amends with. Any help you can offer is most appreciated!!!

Cheers,
