I don't know if I should say prominent role bc we were not interviewed. Maybe just awareness for possible calls from potential additional victims or other entities.

I will if you want to.... how about "VS Jackson reports, for YSA, Netflix is currently airing a documentary on the Epstein case in which the FBI has a prominent role."

Hi Bruce - I don't have anything. But I'm watching the Epstein documentary on Netflix and wondering if we should add as FYI for awareness. They are referencing the FBI- just in case they were not aware.

Thanks
Angela

Good morning -
I don't have anything significant to add to the list either.
I guess whomever is on standby this week has an easy writeup to do. :)
Perhaps we don't need a call today.

Have a great day,
Laura

Good morning Laura and Bruce - I totally forgot that I have a dr's appointment this morning at 915. I emailed them last night to see if we could do later (its virtual) but I haven't heard back yet. Could we do later? Or I dont want to mess up your schedule- I was looking I don't think I have anything this week to add to the list but will look again to make sure. Let me know what's easier for you both.

Thanks
Angela
