Hi [REDACTED],

Thank you for the referral for [REDACTED] that is much appreciated. I spoke with her over the phone today and she sounds nice and I felt comfortable with her. I was planning on scheduling an appointment with her in the next week or two. Please let me know if there is any additional paperwork that you need from me.

Thanks again for all of your help with the case. Everyone at the FBI has truly been great. Back when I was younger you did stand out as someone that I trusted and I appreciate the agency keep our information safe and private over the years.

I'm very happy I finally get to speak with someone and get professional help. It been hard for me to take about so I avoided it, but I think its time to start healing.

Sincerely,

[REDACTED]

Hi Jessica - I have a great referral for [REDACTED]. I used to work with this individual at Safe Horizon a victim services agency in NYC; and she now has a private practice. I just spoke to her and she is open if [REDACTED] feels she is a good fit.

Here is her contact info:
