It sounds like [REDACTED] really liked [REDACTED] so she'd like to set up an appointment with her. [REDACTED], thank you for the offer of additional referrals but it sounds like this one is a good fit.

[REDACTED], I will tell [REDACTED] to make an appointment to see Ms. [REDACTED] and remind her that the FBI will pay for the first 12 sessions.

Thanks!

I hope you had a good holiday weekend. [REDACTED] did some research on Ms. [REDACTED] and it looks promising, but she was concerned that it might be a bit far from her. Do you know of anyone else who might be a good fit and would be closer to [REDACTED]? That's where her new apartment is.

Thanks!

Hi [REDACTED] - I have a great referral for [REDACTED]. I used to work with this individual at [REDACTED] a victim services agency in [REDACTED]; and she now has a private practice. I just spoke to her and she is open if [REDACTED] feels she is a good fit.

Here is her contact info:

I gave her your name and she will be ready to assist. Let me know if you have any questions.

Have a great weekend!

Thank you so much for giving me a call today to discuss the therapy options for my three clients who [REDACTED] who filed civil lawsuits against Jeffrey Epstein [REDACTED]. As I mentioned, [REDACTED]. All three are in need of counseling services.

You mentioned that you will double-check the list of known JE victims to confirm they are eligible for therapy assistance. [REDACTED]

In the event that one or more of these women has not been previously identified to the FBI, please let me know what information you need to determine their eligibility and I will get it to you in short order.

I would ask that all contact about these three women be through me (or my office) rather than with the women directly. As we discussed on the phone, among the lingering effects for each of them is a fundamental distrust of anyone trying to obtain information Epstein. He was not above lying and trickery during the course of the lawsuits and he certainly had enough resources to buy real-looking fake credentials for people to pose as FBI agents, so as sad as it is, they all assume that anyone who contacts them has to be lying about their identities and motives. Also, as I mentioned, none of them

have shared with their spouses/partners that they were abused by Epstein, and the more people contacting them, the harder it is to keep that a secret. It is probably best for everyone that I'm the communications conduit for everything.

Please let me know what you need to get the counseling for each up and running. I will contact the therapist that I know in the [REDACTED] was interested in seeing to see if she takes credit cards, and I will also do some homework on [REDACTED], another therapist in that area that you mentioned. [REDACTED] will definitely need some referrals or recommendations if you have them; she does not have any particular therapist in mind at this time.

Thanks again. And please know that I remain committed to assisting your team with their investigation in any way that I can, even if it does not involve my clients specifically. [REDACTED]
[REDACTED] But if I can assist in any way, please let me know.
