Hi [REDACTED] - I hope you are having a nice holiday! I am reaching out regarding this victim of Jeffrey Epstein. Your office was wonderful in helping [REDACTED] but she ended up not being able to travel to the victim meeting for personal reasons.

I received the below request for services and am reaching out for guidance. The case agent copied here still needs her interviewed. Do we need to send a lead to have your team interview her or could we set up a Skype? And what is the best way to connect her to counseling referrals?

Please let us know how to proceed. Thanks again for your assistance!

Happy New Year!
