This would be good. We can also catch up on Epstein and I can meet with Laura and Bruce too. Let me run this by Pam.

~~Amanda~~ - fyi below. This is the New York bar association mass casualty committee. Stacy reid and I presented to them awhile back and they were present at the TTX.

They have committe meetings that they invite me too. Thought this would be great if you were able to come due to the presenter.

Hi [REDACTED],  
Great chatting with you. Using 3 email addresses because I do not know which one works!

Here is the information about the meeting of the New York State Bar Association's Committee on Mass Disasters. The meeting is scheduled for Tuesday, January 28, 2020 at 1030 AM at

Patterson Belknap Webb & Tyler LLP  
1133 Avenue of the Americas at 43rd St.  
New York NY 10036  
Tel: [REDACTED]

At the meeting, we shall have a presentation from Florence Hutner who is the Chief Legal Counsel of the NYC Office of the Chief Medical Examiner. She plans to discuss the issues

involved in the issuance of death certificates involving mass disaster victims.

Thereafter, we plan to complete our update on our response plan. If you would like you can do a short presentation not to be recorded in any manner. Also, you can bring a member of the crisis team. I just need to know the name by the beginning of next week so that we can add both of you to roster at the building security desk. Also lunch will be served.

Looking forward to seeing you! All the best for a safe, Happy and Healthy New Year!

Dave
