Hi [REDACTED],

I trust you are well.

I'm just following up if there has been any progress with organising therapy for me?

I haven't heard from anyone yet and it's something that I would really like to pursue as I have found the whole process traumatic and very distressing.

I look forward to hearing from you.

Best

Hi [REDACTED] - I just received an email that someone from American Citizen Services will reach out to you on Monday to coordinate counseling services. Please let me know how it goes and if you have any questions.

Have a great weekend!

Hello [REDACTED],

As you know my client [REDACTED] was unable to travel for the victims' meeting but she is very interested in learning about the victims' services that may be available to her particularly any therapy sessions. She presently resides in [REDACTED]

Could you please send her the information from the meeting?

Best,
